To

The Chief Secretary to the
Government of Mysore.

Sir,

There is an Amrut Mahal Kaval in the Gubbi Taluk called the Chingavitéré Kaval.— It is divided into 2 survey numbers. i.e. Number 2 was resigned by the Amrut Mahal Department some time ago.— It is being broken up into small numbers, assessed and given out for cultivation by public auction.

2. Now the Amrut Mahal Officer says that Sr. Regimentdar Rani Row Ramanavare has asked him for survey

Number

number 1 for cultivation and requests that it may be given him on the condition of its reverting to the Amrut Mahal Department when resigned by the Regimentator. A copy of his letter (No 27 of the 27th May 1890) is enclosed.

3. It would appear that there are others who are willing to bid for the land if sold. Its area is 338 acres, and probably a wet rate of 2 Rupees per acre may be imposed on it by the Survey Department.

4. Section 60 of the Revenue Code says that occupancy right may either be sold or given away for an upset price; but Major Macintire's letter goes

goes to show that the land in question should be given to the Regimentdar but not sold by public auction inasmuch as he says that it should revert to his Department when resigned by the Regimentdar. As he probably bases his recommendation on the Regimentdar's services in the Military Department, I solicit the orders of Government in the matter.

5. As the cultivation season is fast expiring, I beg that early orders may be passed, so that Kandayam may be levied from and inclusive of the current year.

Sir,

I have the honor to in-
-form you that Chengavi tank
in the Gubbi Taluk having been
repaired by the Public Works
Department at a cost of Rs 7,804,
the Dy Commissioner of the
Tumkur District wished to
know whether there were any
objections to the Kaval land being
granted to ryots for cultivation
He was informed that reserving
a portion for the use of the Amrut
Mahal cattle, the other portion
might be so utilized. Lately

Regimentdar RamaRao Ramarao applied to me for the whole 338 acres and 37 guntas of land for cultivation, and I have forwarded the application to the Dy Commissioner with a request that it may be entertained on the understanding that if the lands are resigned at any future time or are left waste they will revert to the Amrut Mahal Department. I would request the favor of your ordering this Cahengavi Kaval being added to the list of Kavals relinquished by this Department.

To

The Chief Secretary to the
Government of Mysore.

Sir

With reference to Proceedings of Government No 4113 of 24th July 1890, I have the honor to forward herewith a letter from Regimentdar Rama Rao Rama Navare praying that land may be given to him and not sold.

2. The Dy Commissioner has quoted section 60 of the Revenue Code but this does not refer to Amrit Mahal lands resigned as a special case in favor of an individual and therefore there is no occasion to put up the land for sale in my opinion more especially as the land has only been resigned on the condition that

I do not understand this. When the Govt do not require the lands they can at the disposal of Govt & must be made over with under the Orders. BRL 22/8/90

that if given up by the occupant it should revert to the Amani Mahal. I have received many applications for small pieces of Kavel land, some of which have been granted, and no sale held.

3. I would also, on the ground of Regimentdar Ram Row's long and meritorious services recommend that this land be made over to him for Kandayam without sale.

I have the honor to be,
Sir,
Your most obedient servant

Major

Incharge Amani Mahal
Department.

What are the terms on which Kavgals are granted?

Has the Amani power to grant this land without sale?

Has the Commissioner power in this case?

To

Major C. Bruce

Officer in ch. of the

Sir,

With reference to my application to the Deputy Commissioner of Angul for a piece of land in Rev. No 2 adjoining the Ameeta Mahal Kaval measuring 340 acres required by me for cultivation as per Memo submitted by the above Officer and to your indorsement informing me that the land is to be put up to auction I beg to state that my ancestors have been connected with this Govt. for the period of 130 years and maintained themselves in the field a fact which will be found on reference to the records in your honors

Officer my father Resaldar
Grand Rao Ramanoray who
received 2 bullet wounds
during the fall of Commandroog
escaped the fort without in
the least caring for the wounds
he received. For only this the
despatches of the Duke of welling
ton will clearly shew the
Satisfactory manner in which
Regimentdar Chenter Rao Rama-
noray & his paid father Rajpo
rao Rao discharged their
duties with Great Vellesly

Your honour is also quite
aware of the satisfactory &
Zealous manner in which your
petitioner has discharged his
duties from the beginning
even to the present moment

Formerly Government
granted Jagers for services
rendered by worthy individuals
to extent from the families
who at present possess them

In the same way my ancest
tors would have obtained
Jagers producing an annual

revenue of 18 or 20 Thousand 7 4/3
Rupees also ~~ob~~ without much
difficulty for the service ren-
dered by them in the field
but as they were under the
impression that the Government would
Continue and that His Highness
would favor them with one
they made no application
for it. In the meantime
however there was a change
in the Government they could
not therefore to my misfortune
get any such papers for the
services rendered by them

Your petitioner though
connected to the Government
through his ancestors doesnot
ask for any papers but begs
that the land he has ap-
plied for may be given on
the payment of the usual
Kandayam a Concession to which
he considers himself entitled
